Dear Mum,

Permission is hereby given to have my engagement put in the paper. I can't believe that they would worry about making a mistake on the 15th page when engagements are when everyday or at least very often they make glaring errors on the front page news. It sounds as though a very intelligent press is running the show.

Please send the ~~furrow~~ dark green silk brocade suit box to me. It is in the bottom drawer and should be very easy to find & hope. Your suggestion for Jennie's birthday was

very good but I can't remember what
the pajamas look like. Now about giving
me a description. Are they blue or red or
what? My mind is a sieve.

Today we had an inspection which
went medium badly and with the bad weather
I felt it was a totally successful failure.

The land has been up held by
the kid as I am going to be taken
with my eyes open. Well so, "Nothing
natured nothing gained, you know!"

Again happy Thanksgiving I'll
be eating my dinner at the O's home.
This week after Thanksgiving the division goes
to San Diego for training. I'll send a
Pigman report later. Love, Luke
